

## SILVERLINE ARCHITECTS

Silverline architects is a dynamic practice based in Richmond, pushing boundaries to maximise the client's aspirations in creating the best solutions to suit the evolving future.

The practice formed in 2015 has grown steadily and increased demand sees us looking to expand with the right candidates.

We are looking for part II architectural assistants/architectural technicians/architects ready to take on the challenges of fast paced projects from inception to completion.

The successful candidate will have:

- Good working knowledge of Autocad
- Good technical, delivery and coordination experience of residential developments
- Excellent visual presentation skills using MS Office.
- Excellent interpersonal and communication skills.

Please email CV and portfolio under 5Mb to [info@silverlinearchitects.com](mailto:info@silverlinearchitects.com)

Salaries will be based on experience and range from £35k-£50k
