

# O'Donnell+Tuomey

O'DONNELL + TUOMEY is seeking talented, enthusiastic and experienced **SENIOR ARCHITECTS** to work in our DUBLIN studio on significant cultural and educational projects at home and abroad.

We are committed to the craft and culture of architecture. We work cooperatively and creatively in an open plan studio, providing space for drawing, model-making, teamwork and discussion of architecture.

Working as part of our studio team, Senior Architects will develop architectural detail design solutions, prepare planning and other statutory applications, coordinate and review design team information, research and design robust technical details, produce tender and construction drawings and specifications, and see buildings through to completion on site.

The successful candidate will be fully proficient and experienced in Revit and AutoCAD. We would welcome applicants who can demonstrate experience of BIM coordination and daily management of BIM project data sets/workflows/procedures and standards.

The Architect's role involves close coordination with the design team throughout the design and construction process. Candidates should be highly motivated with excellent communication, numeration and organisational skills; good spoken and written English is essential.

Postal applications only with a short CV outlining your experience and a selected portfolio showing examples of your work to:

Brenda Sorohan

O'Donnell + Tuomey, 20A Camden Row, Dublin 8, D08 DH04, Ireland
